The Difference Between Leaders and Managers

Leaders are concerned about PEOPLE

Managers are concerned about PROCESSES

Good leaders aren't necessarily good managers, but managers must be good leaders

A Phenomenal Leader is...

- One who loves _____
- One who loves _____
- One who is a positive _____
- One who is _____
- One who is _____
- One who is _____
- One who is _____
- One who is _____

Leadership is effectively communicating your VISION, Mission Values and Purpose. - Howard Partridge

Mission

The mission is what your team does every day

The mission is the strategy to reach the vision

The mission guides every decision

The mission establishes your desired culture

Values

Values are standards you live by

Values define who you are

Values are how you act

Values support the mission

Values define your actual culture

Purpose

Purpose is the WHY behind what you do...

The Ultimate Leadership Secret is _____
